“ *Shannon & Larry, I'm so sorry for the loss of your father. I attended Olivet College with your mom in all our accounting classes and was so shocked when she died so young and then saw she was my plumber's mother-in-law. You're in my thoughts and prayers. Trina*

“ Doug was always a good and very helpful neighbor. Whenever I baked pies we would send two pieces to Jo & Doug for their dinner. After several years, One day Jo happened to be in our kitchen as I was baking pie, and said “I didn’t know you were a pie baker!” We will miss Doug’s booming voice and the many laughs he provided.

“ Doug,

What can I say here? I had the opportunity to be introduced you a few years back through my aunt. We quickly became buddies. Living on the west coast and visiting you had its advantages as we would stay up until 2 or 3 am and chat. I will miss your witty rapport and your wisdom. I feel fortunate to have had the chance to have you as a part of my life. We will miss you, uncle Doug! Rest In Peace, my friend.

“ It was my privilege to have known Doug. He was a good man in many ways and his humor was something that only a few could match wits with. I will always remember him for his love of his family, for my sister, cars and of course, his love of making money even not to pass up a penny or a pop can on the ground... As the great late beloved comedian Bob Hope said: "Thanks For The Memories", I say Thank You Doug for the memories that you had left me of you. RIP
