“ We met Earl in the 1970's as a young family attending the Potterville Church. He was a warm and pleasant personality always with a smile and a warm greeting. Although we knew him casually he still always greeted us by name and the same warmth. We will always remember him in this manner exemplifying to our family the way a church family should be. We offer our sympathy for one who will be greatly missed by all who were fortunate to have known him.
