“ Betty, Jon and I are very sorry for your loss. You and Ed have been the best of neighbors and were so helpful to me and my girls when we purchased and built on the land behind you. Ed was there and ready when it was time to get a yard started or to pull a stump and would he take anything in return, no nothing. Although I have only had the blessing of knowing him for 12 years he and you have certainly made an impact on my life and for restoring the thing I grew up with, the faith of neighbors helping neighbors. I pray that you and your family get through this time of sadness and rejoice in all the wonderful memories you must have. If there is anything I can do, please let me know.
