“ *Bonnie, You have been on my mind the last week. I attended Garth Brooks' concert in Nashville on December 22 with my husband and daughter. Carol is now 24. Mom (Olga Orange, Vanda) is in assisted living with alzheimers. We all sang along that night to Garth's song about Chris, and you have been on my mind since then. Looking for your phone number tonight to call you, I discovered that Ed had just passed away. I am so sorry. Meta Orange Guin*

“ *Ed was one of the nice guys. When you were around Ed you were having a good time. When my wife was a rural carrier Ed and some guys he worked with at Consumers Power stopped during a blizzard and changed a flat tire for her. She has never forgot this.*
