“ I had the pleasure of becoming friends with Eleanor while I took care of the Property at her apartments from 2003 to 2011. She would tell me many stories and I helped her many times with different things around her place which was right next to my office. We had many laughs. Once we had a mini drag race between her elec chair and my lawn tractor. She many times made me an old fashioned Tennessee lunch and share it with me. I have moved to Iowa in recent years and have missed her Greatly !
