

Elizabeth Ann "Betsy" Fisher

November 29, 1950 - August 10, 2022

Elizabeth Ann "Betsy" Fisher, 71 of Charlotte, a true American Patriot, died August 10, 2022. She was born November 29, 1950 in Battle Creek, MI to Harold and Rhoda (Woodland) Fisher. A graduate of Springfield High School, Betsy started her office career at Post Cereal, moved on to be Executive Secretary at GM Delco Electronics Detroit division and later became a homemaker, dedicating her time to being a mom and raising her two sons. An easy-going person, Betsy was a dog lover, a classic rock fan, and enjoyed going to DJ Bingo with the ability to name that tune in four notes. A big fan of the University of Michigan, she enjoyed watching college football, Hallmark Channel, and sharing evening quiz/game shows with family. Betsy adored and was adored by her grandson, and her family always enjoyed her witty one-liners and passionate advice. The gentle voice of "slow down and smell the roses" and the reassuring motherly response of "love you more" has gone to meet her Heavenly Father.

Betsy is survived by her sons, Matthew Bogusz, Brandon (Chellee) Bogusz; grandson, Blake Bogusz; Siblings, Rhodie (James) Wiersma, Scott Fisher, and Carol Fisher; former husband, Michael Bogusz; along with many cousins, nieces, and nephews. She was predeceased by her parents and close relatives. If desired, the family suggests memorial contributions to any favorite veteran organization, homeless shelter, pregnancy center or animal welfare society as Betsy was always a true giver.

Friends are encouraged to support Betsy's family by sharing memories on her Tribute Page at www.prayfuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ *Oh Betsy. You were so cruel to me. But your passing is still sad.*

“ *Matt and Brandon....I had no idea your mom passed until just now. I'm shocked and sad that my friend of 30+ years is gone and I never knew. I so wish someone had called me or notified me. I would love to get together with both or either of you and share my memories of which there are many good ones. And maybe finally get some closure or understanding from you as to why she kept abruptly pulling away. I've never ever understood. I love you both very much. Please reach out if you can. I believe you both have my number, it hasn't changed. 💕 Toni*

“ *We always enjoyed our times together. Whenever possible we would chat for hours on the phone. I hated losing touch with her when I started working the overnight shift. We would try to get together as much as time would allow. I loved seeing her smiling face when we had chance meetings in town. Rest In Peace my dear friend.*
