“ Our sincere condolences to my brother, Raul, and his and Estela's children. Wes and I loved and respected Estela very much. We have always been inspired by the relationship of love and friendship they held for each other and how they cared for one another. We can all learn from the way they lived their lives together. I will always smile when I think of how they used to enjoy watching sports on TV together, especially when the Lion's or the Tiger's were playing. They were always loyal fans :). And I will always remember when I last saw Estela at our reunion in July of 2010. We were playing "The Newlywed Game" and one of the questions was "Where was your first kiss?". It was so precious to hear Estela giggle and blush when Raul proceeded to give his response to this question. I love you Raul and I know Estela will always be by your side taking care of you as she always did. Our prayers and thoughts are with you - Modesta and Wes
