“ I guess the reason Flora and I got along so well was that we were both Sagittarians, and she was only 3 days younger than me. She was one beautiful woman who enjoyed life so much and even after the accident had the willpower to keep going. I am honored to have known her and will never forget her in my lifetime. My condolences go out to the family of Flora. Rick you did a great job standing beside your spouse for the duration., God bless you and the family.
