

## Frederick Weyman Heath

February 16, 1946 - May 17, 2022

Frederick Weyman Heath, 76 of Potterville, an intelligent man that loved his family deeply, died May 17, 2022. He was born in Saginaw, Michigan on February 16, 1946 to Otis and Eleanor (Bigelow) Heath. He graduated from Central Michigan University with a BA in Education, and worked as middle school teacher and later as a computer programmer at Dow Chemical, retiring in 1996 after 30 years there. Fred cared about the simple things, he enjoyed taking time to enjoy the world around him and spending time with his family. Every summer he made a trip to Cedar Point with his daughter. As the skipper of his own boat, Fred loved sailing. His boat, named The Aquarius, enjoyed many adventures on Lake Michigan with Fred at the helm. Gazing at the stars intrigued Fred, so he learned all he could about astronomy and loved to share this with his family.

Fred is survived by his wife, Jackie McMahon; daughter, Christine (Dan) Heath; step-daughters, Maria (Mark) Kovass, Jacqueline (Brent) Williamson, Jennifer (David) Marsh; step-son, J.P Machuta (Adam Toosley); grandson, James Heath; step-grandchildren, Joshua and Jacob Marsh, Kaylei, Kennedy, Kamryn and Kaiden McMahon; and beloved fur babies, Ohno and Maple. He was predeceased by his parents; and step-daughter, Patrisha Hiller.

Friends are encouraged to support Fred's family by sharing memories on his Tribute Page at [www.prayfuneral.com](http://www.prayfuneral.com). The family is in the care of Pray

Funeral Home, Charlotte.

BH

“ Fred was a favorite of our entire family because of his thoughtfulness with my mother during her illness, his humor at the family Christmas parties, his devotion to my sister during her battle with cancer and their many trips abroad and on his sailboat up north and on all the Great Lakes, Fred was loved by all of our family and even though illness kept me from seeing him and Jackie during the last couple years, I will always remember him fondly.
