

## Gary Lee McCune

October 12, 1948 - December 5, 2021

Gary Lee McCune, of Charlotte, a guy with a huge collection of stuff that "he might need one day," died December 5, 2021 at the age of 73. He was born October 12, 1948 in Charlotte to Howard and Anne (Harag) McCune. As a crop farmer for Stan Wheaton, he learned how to tinker and fix lots of things using what was around, thus his collection started. In his early years, Gary enjoyed riding motorcycles, and having company over to visit was one of his favorite things throughout his life. Always willing to help anyone in need, he was able to share his abilities to do anything and fix anything for friends and family. Gary worked at Fisher Body as an assembly worker, retiring after 30 years of service. Gary was very proud of his family and all of their accomplishments. He enjoyed breakfast at the Eaton Place restaurant every Saturday with friends, and would often talk about his children, grandchildren, and great-grandchildren.

Gary is survived by his children, Scott (Rachel) McCune and Carolyn (Dave) Hastings; 3 grandchildren, Kyle Archer, Kyra McCune and Daniel McCune; 3 great-grandchildren, Keagan, Callahan, and Marlowe Archer; father, Howard (Lorraine) McCune (aka Papa Bear); brother, Ken (Pat) McCune; and sister, Gail (Terry) Weber, and several nieces and nephews. He was predeceased by his wife, Anna McCune in 2020; and his mother, Anne.

Friends and family are encouraged to support Gary's family by sharing

memories on his tribute page at [www.prayfuneral.com](http://www.prayfuneral.com). The family will hold a Celebration of Life for both Gary and Anna at a later date. The family is in the care of Pray Funeral Home.

“ *Gary was our neighbor for 45+ years, always kind and cheerful. Two events stand out in our memory. The first was during the winter snowstorm of 1978. Gary took me, and my then pregnant wife, to town in his 4 wheel drive so I could report to my job as a route driver to plow county roads. The second was more recent when he assisted with putting out a grass fire at our son's home a few years ago. Your dad was a good man. We will miss him.*

*“ Gary and I talked on the phone a few weeks ago. Talked mostly about growing up when we did and how great our childhood was. We talked about going to the store with only 25 cents and being able to buy a bunch of candy and being able to take off in the morning on our bikes and not go home until late afternoon without our parents having to worry that we were okay. The world has changed so much. I will miss our 2 hour phone calls and I will miss hearing him say "I love you sis". He had a heart of gold and he will be sorely missed. I love you Gary. Your sis, Gail*
