“ It's taken me a minute to do this. There just aren't enough words to describe what an amazing human my dad was. The best. Ove yet to meet anyone more true to their word than he was. He was a natural born mentor to so many. My heart will always be broken. He lives on always in my soul. My boys and I are better humans because of him. To all that knew him, you know how irreplaceable he was. That's hard to say about most people, but not him. It's easy because he was amazing. Not a day goes by that I don't think about him. Fly high up there, Dad. Until we meet again, save that seat for me. I love you. Always and forever. ❤️
