“ I had known George for only a short time but he has left an impact in my life. I miss the many times we would sit and talk about anything and everything. Many times I would go to work and before I knew it we had spent hours talking and I had not started any of my work; he would just say "I will save it for you for tomorrow". George was a wonderful person. He had a heart of GOLD and a GODLIKE Spirit. He will truly be missed. I'm sorry I will not be able to be there to give my condolences in person. Please know my thoughts and prayers are with you all
