“ Please accept my deepest sympathy towards the loss of your son. We went to school together and I remember being on the same 6th grade team with Gill. He had a kind smile and a warm heart. I have only attended one class reunion, it was the first, our fifth year reunion. I danced with Gill a couple of times and the smile on his face was just contagious. I wish him and you, his family...peace. Go with God.

“ Very sorry to hear of Gill's passing. I remember him well from high school. We shared several weeks together in the summer of '81 during drivers training. We were in a group that shared a car and we drove all over Michigan that summer. I remember a lot of laughter in that car and a lot of panic from our instructor. Rest peacefully Gill.

“ My thoughts and prayers are sent to Gills family and friends. I will miss him. I had my last interaction with Gill on the day he came to the church for his photo session for the new directory. We met in the parking lot and he was very upbeat and playful. We laughed and shared a few minutes together. We didn't know each other well but I did know some of his physical struggles and we would talk about them. I will miss seeing him at church. Rest in Peace Gill. With fond memories, Martha

“ We will always remember Gill as a fellow with a ready smile and an infectious laugh. Although God chose to give him challenges, he rose above them and lived life to the fullest. Our earliest memory of Gil is a chubby little boy with a cowboy hat and Polaroid camera visiting with friends on the street! He was a charmer! Know that our thoughts are with you and yours and you are held close to our hearts.

“ I had the pleasure of knowing Gill in high school. I remember a funny kid with a wonderful outlook on life. Even though I did not see him very much over the years, I always hoped that he had the kind of life that he wanted in high school. I feel that we all should have learned about living life from him. Heaven now has an angel looking down on us. Thanks Gill for being my friend in school and to Jan and Dale, my prayers are with you at this most difficult time.
