“ I am lucky enough to have a lot of good memories with Gloria. we used to take walks all through town in Potterville. one of my favorite memories is how we would strut around town in our matching sunglasses. she had black lenses with blue on the sides, and mine were blue lenses with black on the side. we would talk about anything and everything. an expression she used a lot was "good deal". whatever the situation was, she would say "well that's a good deal" if the outcome was positive. for example, i had been keeping her updated on a guy i was interested in. when i told her that this guy happened to be interested in me, naturally, her reaction was "good deal" =-) i love gloria so much! she was a wonderful person and i'm so glad i was able to spend the time i did with her love always! - Raelene

“ *Terry, we are sorry to hear of Gloria's passing. She definitely enjoyed life. She was so much fun to be around. I remember she could never figure out who would leave a quarter every time they would use her bathroom. Well that was Jon. I'm not sure if she ever realized it was him. God bless her she is not suffering anymore.*

“ Terry and Lance. I am so sorry for your loss. I always liked Gloria. The picture is very nice and how I remember her. It is tough to lose your mother. I guess I don't have to tell you Terry how tough loss is. You certainly have dealt with enough. I have too. I can't make it to the services. I take care of my grandchildren and have to run them to practices. Your in my thoughts and prayers. Remember all the good memories. Love - Sherry Mulholland Petersen

“ Dear Gloria, I will most certainly miss my traveling buddy. We had so much fun sitting on the beach at lake Michigan drinking beer (or martinis) working on our tans and not paying any attention to the people warning us of skin cancer. Of course, we knew everything, we were having cocktails! You will be among my fondest memories. Love to you Gloria, Sheila Schoonover
