“ My heart is heavy seeing this today. Jay was one of the best men I have ever known. He was my youth leader, but felt more like my father. A good man, loving, kind, generous, wise, the example for men to pattern after. He was everything I needed as a teenager and young adult. My heart goes out to the family, so sorry for your loss. You were blessed with a jewel of a man

*James/Ingrid/Brody/Aubrie/Wyatt and the entire Benward family- I know only too well that this is a difficult time for you all! Hold close to one another and all the great memories you have. I only met your dad a couple of times, but it was easy to see how you all looked up to him and the grandkids flocked around him. James/Ingrid you are two of the best people I know and James you are a direct reflection of your dad!! Love you!! ❤️*
