“ A note of sympathy to let you know that no words of sympathy may ease the loss you bare, perhaps you may find comfort in knowing that others care.

“ We would like to give you our thoughts and prayers Vi and family. We have missed seeing the two of you over the past few years and didn't realize how ill Harry must have been. We enjoyed his smile and always having a new joke to tell. We wish you the very best and hope your health is doing good. God Bless Harry and his Family. Butch and Pat Knowlton

“ First of all would like to offer my condolences in the death of Harry. I am the niece of Lottie Allison (wife of Paul) and I live in Kokomo, Indiana. I knew about Harry as a young girl. I would like to know if anyone has any information regarding Patti Allison, daughter of Paul and Lottie Allison. She has several cousins that live here and none of us has heard anything from Patti since her fathers funeral, at that time she lived in Fort Wayne. We are hoping that someone would be able to help us get in touch with her or any information that you may have regarding Patti. We would be most grateful to hear from you.
