

Heidi Renee Hackett-Ripley

January 19, 1964 - May 20, 2018

Heidi Renee Hackett-Ripley, a selfless, caring mother and friend, died unexpectedly on Sunday, May 20, 2018, at her home in Pottersville at the age of 54. Friends and family remember Heidi as a spunky lady with a great sense of humor and creative do-it-yourself spirit. She put her heart and soul into everything she did whether it was figuring out how to make the perfect cookies or dessert, making the best little lady bug stone, or working in the yard. Heidi would spend hours researching various do-it-yourself projects and then dedicate herself to completing the tasks at hand. She often placed the needs of family and friends ahead of her own. Her interests outside the home were eclectic including popular music, being a fan of NASCAR, and cheering on her children in whatever they were doing.

Above all she was proud of her family, taking care of Kris, Olivia and Jack. She was often on the road, following her children to all their competitions and events, no matter whether it was around the corner or across the state.

Heidi is survived by her husband, Kris Ripley; daughter, Olivia Hackett; son, Jack Ripley; mother, Cindy Ivovich; brothers, Scott (Deanna) Hackett, and Sam (Kathleen) Hackett; and many friends. She was predeceased by her father, Gary Hackett.

Friends are encouraged to support Heidi's family at visitation and memorial

Thank you for sharing a video of Heidi's funeral. I was unable to be there so I appreciate hearing her memorial. I had an opportunity to work with her last Tuesday. My last words to her were to be careful on the steps when you make the turn. Little did I know it was the golden steps to heaven 5 days later. Good bye Heidi.

“ I knew Heidi in the late 80's when she was my best friend's room mate. The three of us had many good times together. I remember Heidi as being a bright, creative and funny person. My thoughts are with her family, may she rest in peace.
