“ *My heart is sad to hear of the loss of your MOM....it leaves such a huge void in life to lose a parent. It is comforting to know that her pain & suffering from such a dreadful disease is over for her & family & friends. I have alot of great memories of growing up when our parents hung together & were such good friends. Many w/e gatherings when Sherry & I were to watch you kids, all the Reynolds kids, Drewyor kids or someone as they partied! hahaha it was fun....now in my adult life I realize just how priceless friends, family & get togethers such as they had ARE PRICELESS for sure! Kudos to them! So sad to have her gone from you! Hugs for you Karla, Doug & Jeff!!!! xxxxo0000*
