“ *I have not had the pleasure of seeing Henry in some time, however I knew him when he was a little boy. How I remember how Henry would make me smile and laugh, and even though I haven't seen him in over 15 years I am sure he was the same. You will be missed! Condolences to your family! “ I met Henry at a candle party serveral years ago. That was the first time he refered to me as "beautiful". Henry and I got to know each other through a few more candle parties and phone calls and every time he saw me or called his nickname for me was "beautiful". The funny thing is the more I got to know him the more I learned how beautiful of a spirit Henry had. Don't get me wrong he had his moments as we all do, but he would seem to view things *FIRST* for the beauty in it. I will miss his calls with the greeting of "Hey there, beautiful!" I always new it was him!

“ Henry was a great person I have known him for about 11 or 12 years. He has always been there when I needed to talk for any reason. He always had a way of reminding me how to live life and have fun. he never took anything for granted and always lived for the moment. A man that could see past anyones Character defects. He was also one of the most forgiving people I knew. I have watched him go through many tuft times through out the last couple years. Even though he will be missed by many I'm sure. He is in a better place and not having to suffer any longer. We Love You Henry Rest In Peace. Desiree and Jim Wright

“ I only had the pleasure of meeting Henry a handful of times, my parents Clenton and Shirley Goad live at the same apartment building. Henry was always quick to engage in conversation, easy to laugh and had a smile in his eyes. I am sorry to hear of his passing and am praying for his family and friends during this time.
