

Hollister Fae Hamill

December 11, 1953 - January 10, 2024

Hollister "Holli" Fae Hamill of Lansing, a selfless lady with a passion for taking care of others, died January 10, 2024 at the age of 70. Born in Fayetteville, NC on December 11, 1953, Holli was one of six children of Donald and Donna (Sutton) Beachnaw. Her family describe Holli as a true "mother hen" taking care of everyone around her. She loved planning parties, graduations and weddings, and taking care of all of her kids, whether they were her own, her children's friends, kids in the neighborhood. She retired as a DHS Caseworker for the State of Michigan. With a great big heart that knew no limits, Holli loved without judgment. Some of the things she enjoyed doing were spending time with family, vacationing in Florida, and quad rides with friends and family in the U.P. With a very crafty side, Holli also loved to reclaim and refurbish all sorts of things, whether she found her treasures at a garage sale or at the G.W. Boutique.

Holli is survived by her daughters, Bethany (Conrad) Cannon, Kortney Hamill (Dwayne Perry) and Heather Martinez; son, Thomas Hamill II; eight grandchildren, Evan, Mateo, Tony, Miguel, Elijah, Izaak, Cameron, and Abbigayle; five great-grandchildren, Bella, Clayton, Antonio Jr., Sofia, and Liam; siblings, Kevin (Yvette) Beachnaw and Shaun (Joseph) Ancona; and many beloved nieces and nephews. She was preceded in death by her siblings, Dennis, Craig, and Kelli; her parents; and nephew, Lucas.

The family would love to hear your stories and memories of Holli on her Tribute Page at www.prayfuneral.com. You are also invited to join them at a Memorial Service to celebrate Holli's life on Thursday, January 18, 3:00 PM at Pray Funeral Home in Charlotte. Visitation will take place two hours prior to the service, from 1-3:00 PM. If desired the family suggests memorial contributions to the Karmanos Cancer Institute. The family is in the care of Pray Funeral Home, Charlotte.

“ grandma holli was one of the most caring people i've ever met. she accepted my family into hers with open arms immediately. she was always so positive and so excited to set up parties for everyone to get together and hangout. i'll never forget the countless memories in her old house and learning to swim in her pool. the parties every holiday that she accepted my family into and made us feel apart of. i'll never forget the such positive impact you left on me forever. you truly were an angel and a ray of sunshine in every one's life. from now on, my family will take care of yours like ours and love like no tomorrow. we will forever love and miss you so much!!!

“*Hamill, thats what I used to call you when I first met you. I had just transferred to Lansing back in the beginning of 2000 and began working with Administrative Hearings. I was new to the area and didn't know anyone. You kinda took me under your wing and before long introduced me to your family, which welcomed me with open arms. You created a loving space for me and my kids. I think I was introduced to your pool first. You loved being outside. I remember thinking this lady is never without a tan! Lol. Holli you made a girl feel at home when she was homesick. So many laughs, You had this snorkel laugh that cracked me up. You came to the hospital and met my daughter when she was born. You was my family and I appreciate you more than you will ever know. We periodically kept in touch through work email. I wouldn't see you again until several years later and we picked up like we never missed a beat! Life just happens but there are those that that you come across during a season that lives in your heart for a lifetime. Hamill you are one of those blessings. I will miss you my friend❤️*

*I met in Holli in 2010 at the Eaton DHHS Office. Holli is the most
compassionate and self-less person I have ever had the privilege to
call a friend. Holli sacrificed her own needs to help others. There was
never a day that went by in the office that she did not shine and put a
smile on faces. One of the proudest mother's, grandmother's, and
great-grandmother's I have ever met, and she had NO problem letting
you know it!!*

*I was always excited when she returned to work and I would get the
"scoop" about the "Girls UP Trip." Holli is fully responsible for making
PCB Florida one of my favorite vacation spots. Holli always referred to
herself as the "Queen of Pier Park" and loved her "scoot coupe rental."*

Hollister. You earned your wings for sure girl!!
