“ A story... do not have a story. But I met Howard years ago when I worked at Sid's Beverage. Enjoyed his weekly visit to the store. We tended to the job at hand but always had a nice visit too. We drove almost identical cars so we would joke about that. I would see him here and there after that time and he always seem to remember me. That made me feel good...he was such a nice man!

“ I remember Howard as being that nice guy who worked at the Candy Company with my Dad, Elwood Whiting. Dad always spoke highly of him. I used to see him at the Senior Center playing cards with his buddies. Rest in Peace, Howard. My condolences to Phyliss and the family.
