“ So sorry to hear about Jacks death. I spent alot of my childhood with your family. I have alot of fond memories camping up north, going to Barlow Lake and hanging out at your house. Jack was a kind and fun kid. I bet he was a wonderful caring Father, Brother and Son.

“ I am simply stunned. I am so very sorry for the entire Wyant Family. How something so tragic can happen to such good people does not make sense. Jack to me was such a great, no (graetta) guy, with a wonderful sense of humor and personality that warmly welcomed all he encountered. The world will be remiss with out him, yet his contributions to our memories will never expire. My thoughts, prayers, and deepest sympathies are with all the Wyants that I have had the pleasure to know. May Gods' holy spirit comfort you at this time of grief.

“ I extend my deepest sympathy to the Wyant family. During this difficult time I wanted to share the hope found in the Bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will come out." And at Revelation 21:3,4 it states that there will be a time when "death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and I hope it does the same for your family.
