“ So sorry for your loss. Jim was always very nice when I first started with the City of Lansing, he always had a nice word to say when I had to visit the service garage. I worked with Shawn for many years in the Waste Reduction Department and I know her and her boys will miss him so much.

“ I was shocked and saddened to hear of Jim's, much to early, passing. We spent most of our hang out time either in Shell or the parking lot @ Carl's catching up on our kids and keeping track of our Army boys. He gave it his best shot in everything he did, lovely man with a huge heart who will be sorely missed by so many of us. On behalf of me and my children, Josh, Katie and Kalli please know that all of Jim's family will be held closely in our thoughts and prayers as you walk through the days ahead. Rest in peace dear friend I will so miss our talks.
