“ I was a classmate of Jim's all thru school. What i remember most about Jim is that when we crossed paths 2-3 times after graduation he always spoke as if we were longtime friends. I wish that i had known him better! God Bless

“ I was so sorry to hear of your father's passing. I went to high school with your mother and father. I always thought they were the nicest couple and really though a lot of each of them. Please know that you are in my thoughts and prayers.
