“ Jane was a great person who always always had a smile. I sat across from her at legion bingo and have good memories of the joking around. She knew when I was in town because I'd Hana box of chocolate no bake cookies on the door and leave. I always think of her when I see no bakes at the store...RIP Jane

“ I loved listening to Jane’s stories of her husband, Jim, and stories of her working days. She would have Kathy and I laughing so hard. She was a great listener and never pulled any punches when she gave me advice. I only wish I would have known her longer. Rest In Peace sweet lady. I’ll see you again someday.❤️
