“ I treasure all the memories, you always made us feel so welcome on our trips to Michigan through the years. Your times in Tennessee visiting us was fun as well. Always giving us gifts and cards. The memories of Picnic, yard sales, Amish store shopping and cooking together, Mama loved her sister, I treasure all those talks we had about life. You told me how you miss all the ones that left went to heaven. We talked about Jesus and his forgiveness and love . I know without a shadow of any doubt there was a great reunion in heaven when you got there. So I thank you for all the love you have shown me and my family through the years. So now this isn't the ending Aunt Janet it is the beginning, as Billy Graham always said, you just changed your address , see later Aunt Janet . Love you
