

## Janet Wyne Reed

October 18, 1952 - October 21, 2021

Janet Wyne Reed, a warm, helpful and caring friend to many, died October 21, 2021. Janet, 69, was born October 18, 1952 in Charlotte, Michigan to Kenneth and Margaret (Whaley) Wyne. She loved her time spent at their Head Lake cabin, and was able to spend her last weekend there to soak up the sunshine on their deck. She enjoyed reading ghost stories, and was an excellent seamstress with ability to sew some of her own clothing and embellish some with her cross stitching. She and John met as youngsters while her Mom was a Cub Scout Den leader that he belonged to. Janet was employed by the State of Michigan in the Treasury Department until she moved to Health and Human Services.

Janet is survived by her loving husband, John; her dog, Annie; and many friends who will miss her. Janet was predeceased by her brothers, Donald and Norman Wyne; and her parents.

“ *John, we just heard the devastatingly bad news of our dear Janet's passing. She was our friend, Head Lake neighbor and Annie's wonderful mother. We loved Janet for her intellect, quick wit and lively sense of humor. Over the years, we shared many conversations and solved numerous world problems in that gazebo by the lake. We are still in the neighborhood as we bought property on Little Pine Lake. We will continue the good times. See you this summer! Love, Jackie Muma*

“ Dear Janet,  
You were my best friend in high school and after. I have a couple of great pictures of you, me and Marcie trick or treating at 18 years old! We had great times ‘tooling’ at midnight with Dru and Marcie. Countless days/nights at the Wyne’s home were special also. Remember our trans continental train adventure across Canada to Vancouver, ending in Seattle for some time! Even though we lost touch when I moved north with my family, I will always, always keep you in my heart!

“ I HAVE a dear friend named Janet  
Who's 'on leave' from our terrestrial Planet  
Tho skeptics may scoff  
We just switch them off  
Trusting the Celestial Captain who planned it.

Thanks for the memories (we're still making). 💜

“ Janet remember when you, Deb and I went to Florida and we encountered our first stalker who chased us through the store? Or how you wisely spent time in the infirmary to get out of the oppressive summer heat at Disneyworld. Janet and I would go to Zauner's and have conversations about news of the day so we didn't look desperate. Such silly times we had. I'm going to miss you dear friend. I hope everything is beautiful.  
Norm you are in my thoughts and prayers.

“ Janet was my best friend in high school , when my children were teens I often thought of the crazy things we along with Kay and Marcie, pulled on dark, late nights on country roads...for a quiet person Janet was pretty gutsy! And smart and well read and knew all the latest musicians and had the most wonderful hair. I thought your mother would never forgive me for cutting it for you. Janet and Norman were such a perfect pair. God bless you both.

“ Janet, thanks for the memories...Get-togethers with the Stiver Clan over the years and hearing tales of the past. Remembering visits to you and Norm at your lake cottage and at Dave's. Random phone calls and IMs talking about everything under the sun to just saying "hello." Always the laughter; I'll still hear it and keep it with me always. It's so hard to believe that just a few days ago was your 69th birthday and I wished you salutations. And you sent birthday greetings to me on the 14th and we talked about how Libra's were the coolest horoscope group ever!!! Godspeed to Heaven to a wonderful person. Sending love and support to Norm, Annie "mall" and my Stiver family.

“ Janet and I worked together for years at the Michigan Department of Human Services. She was a valued colleague and friend, and saved my skin more than once. Over time she also came to be virtually the only person who could read my handwriting, which even I struggled to do. - John Sorbet
