In Loving Memory of Jasper Reed Stowell-Graves

Jasper Reed Stowell-Graves, our precious little boy, was born on July 21, 2025, to Bree Stowell and Joseph R. Graves. His life, though far too brief, was filled with joy, laughter, and an innocence that touched everyone who had the privilege of knowing him. Jasper passed away unexpectedly on December 23, 2025, at Sparrow Eaton Hospital, leaving behind a legacy of love and light that will never fade.

From the moment he entered the world, Jasper was a happy boy with a heart full of warmth. He was truly a momma's boy, always seeking the comfort of his mother's embrace. His giggles and the sounds he made as he explored the world around him brought so much joy to everyone who heard them. His love for his kitties, his fascination with the fish in the aquarium, and his eagerness to learn - he was already working on crawling - were all reflections of his curious and vibrant spirit.

Jasper's infectious happiness and boundless energy were a gift to all who knew him. His ability to make everyone smile, no matter the moment, is what will be remembered most. Though his time with us was short, it was a beautiful reminder of the pure and simple joy that life can bring.

Jasper is survived by his loving mother, Bree Stowell; step-father, Elijah

Radcliffe; father, Joseph Graves; sister, Luna Clemons; aunt, Angel Merrifield, Arianna Beedy, Tiffany Graves; uncles, Hunter Merrifield, and Colton Graves; cousins, Kye Holland, Nova Holland, Carter Kelley, Logan Kelley, and Remington Graham; grandmothers, Tara (Jared) Boots, Shannon Graves; and grandpa, Ben Graves. Jasper's memory will live on in the hearts of all those who loved him.

Rest in peace, little one. Your laughter, your love, and your precious spirit will forever be cherished.

We invite all those who knew Jasper to join us in remembering his joyful spirit and the light he brought into our lives.
