“ Aunt Jeannie had such a profound impact on me, not only as a child, but also in my adult life. I admired her for her innocent view on life, her contagious little giggle, her desire to contribute something to any conversation that was going on around her, her love for coffee, how she styled her hair and applied her make-up (that blue eyeshadow), and her never-ending unconditional love for all of us! She probably never really knew how much love I felt from her or all the cool things that she taught me. Thank you Aunt Jeannie! ♥♥♥
