“ Turn around, bright eyes. My condolences to Jeff, Andy, Tom, and the Klaiss clan. Jeannie touched my life in a way few have. It was an honor to be part of her life. She showed me how to live life with strength, courage and love. Even when it seemed all was lost, she somehow found it in herself to reach out and help other people. I will miss you Jeannie Reed. Thanks for being a part of my life.

“ *Jean (Jeannie) was a true inspiration to many of us. She truly loved all of you. That same love she had in her eyes, when she talked about you when you were young, was always there. You could see how much she appreciated all that you did for her. May the good memory's stay with you all.*
