“ Jennifer K my heart broke when i saw you were gone 😞 it's been many years since we talked because I moved away. I wish we could turn back time just to tell you thank you for being my best friend growing up. We had many fun times together and you were always so funny and the best at being a friend! One memory I have is when we went to go see the Shetland ponies at Sharon evans' house and the cricket climb up the inside of your pant leg and how you had to walk funny trying to get him out! We laughed so hard! You kept shouting he's still in there! But finally you somehow got rid of him 😊 Another memory I have is when I stayed the night and we cut out All of the pictures of Michael Jackson and Prince from the magazines you had. I think we counted over 100 pictures 😊 I don't remember how many we taped to the wall but I believe it was most of them 😊 you will always have a special place in my heart ❤️ and I will never forget all the good times we had! You were always Another sister to me. I'll love you always girl! I'm also sending prayers, love, and hugs to your family. They were always family to me too! 😊

“ I had the privilege of growing up with Jennifer for years. We did everything together as kids along with my twin Heather. If I wasn't home, I was at Jennifer's (my home away from home) thanks for putting up with us Connie! Lol
I'm saddened beyond words. But cherish our memories we will always have. Thanks Jennifer. My childhood would never of been complete with out u!
Remember our secret outdoor call?! Our families do.
Remember our dance routine to Princes song "1999". We only rehearsed a zillion times. Our endless hours playing in the creek, sliding, riding bikes. Eating all the candy we could whenever possible. All the stay overs at your house. I'm so glad I had you in my life. More than you will ever know. Wishing moving away if I could take it back and continued our best friend relationship. So many regrets of letting life get in the way. Rest in peace Jennifer, I love you to the moon and back. Thank you for being my best friend. I'm honored!

“ I’m not sure how many dance routines we made to the many Michael Jackson songs she had on cassette, but it was a lot! I think we went to see Grease 2-3 times in the theater. And sang as loud as we could in the front row! Many a day was spent running thru the neighboring corn fields and playing by the creek. Jennifer was a good friend to many and my best friend growing up. Fly high Jennifer. Love you.

So sorry for your loss. Remember when the family moved to the neighborhood the three kids would be out riding bikes, with Jennifer in the lead. Prayer for the family.
