*What a beautiful beautiful tribute to a wonderful young lady. She had a million dollar smile and personality. She was taken much to soon, guess God had plans for her. She'll always be in hearts along with Andy and Seth. Our prayers are with you always.*

“ Jen has only gone on ahead of us,  
Not just left us behind.  
Although we can't be with her right now,  
She lives on in our heart and minds.

The day will come when we'll meet again  
On Heaven's distant shore,  
And we will walk hand in hand  
Together forever more.

Sending Love and hugs of comfort from

“ I am new to Consumers Energy but she was one of our instructors during my initial training. We were so happy because we were going to have her as our instructor for our next phase of training. We all missed her since she was helping others and providing her wealth of knowledge to all. She was very down to earth and always upbeat! We couldn't see her because she was having camera issues but when she got it fixed, she popped in just to say hello to us! That was a special treat! We were able to see her beautiful smile and she definitely will not be forgotten.....we miss you already Jen!

It is definitely a little darker here for us at Consumers Energy and as our family learns of this news. What a special person Jennifer was, always so helpful, thoughtful, happy, and just all around a great part of our team. Jennifer was part of the training team that brought me on board and I learned so much from her. I will miss her sense of humor and helpfulness whenever we spoke or messaged back and forth. My heart is just heavy knowing she was taken from us too soon. Please know that my family is keeping the entire King family in our thoughts during this difficult time. My deepest condolences on your loss.

“ It is so hard to come to terms with what an incredible loss this is. Jen made everyone feel special & cared for; because we were special to her and so she cared for us. Her heart was pure gold. I will miss her spectacular sense of humor, her laugh and the love she showed me. Her light warmed Consumers Energy's Lansing Contact Center from the moment she walked in. Rest well, Sister.
