“ I met Jeremiah for the first time a few years ago, and in that brief conversation my first impression was just how kind spirited he was, a warm smile, a patient listener, who showed a genuine interest in our brief encounter. My first impression those some odd years ago leads me to believe now that Jeremiah has left a large void that cannot be filled, I am sure he is loved by many, and will truly be missed by all. God bless Jeremiah, his family, and his friends in these difficult times.

“ Jeremiah had a golf swing that was always just amazing to watch and to hear the "whack" of his golf ball, as it took off into the air, was the best sound ever. Told him every time we golfed together how jealous I was of his drive swing. Miah was a fellow co-worker /manager who had a great work ethic and sense of humor about him. So glad that I had the opportunity to work with you during our time at Menards.
God Bless You, Jeremiah!

“ Miah was a light in this world and one of the kindest people I have had the pleasure to meet. He would always take time to sit and chat about things but I think the time we spent talking about his family, especially his nieces and nephews, will be some of my favorites. My husband, myself, and our friends will miss our time with Miah but we will remember all the laughs and memories. Our prayers go out to his family and everyone that was blessed to have known him.

Jeremiah was more like a grandson to me than a boss. I loved him and I wish I had told him just how much he meant to me. He always listened when I needed to talk. It will never be the same without him. May he rest in Peace.

I didn't get to know Jeremiah as the caring and kind man he grew to be, I remember him as a beautiful, kind boy with the most amazing smile. He was loved by all who were fortunate to know him and all my prayers and love go out to his family and friends ❤️

“ *Jeremiah was my boss at Menards. I always knew when he was coming around the corner. He only had one singing voice, high pitch lol. You will be missed. It will be a long time before Menards feels normal again, if ever. Fly high Miah and trust that you are still back in shipping and receiving with us!*
