“ Memories of Jerry have come back to me often since the tragic news of his death. Chatting with him on the steps of my daughter's front porch, sharing some laughs at a picnic table in my back yard, or just running into each other at a local grocery store. The song that played on my car radio when I was en route to Pray's for visitation always brings to mind the too few times we shared each time I hear it. My memories are fond ones and I hope that his family's memories have brought them comfort over the months since he left us. Rest peacefully Jerry.

“ I worked with Jerry for many years at the police department. He was very good with people and always left them feeling good about themselves. He was quick to help anyone, and you could always count on him to back you up in a tight situation. He was an all around good Cop!

“ Very saddened to learn of Jerry's passing. I saw him last about a year ago and we had a pleasant conversation - though now I realize it was too brief, as was his life. Rest in Peace my friend.

“ We were very sad to hear of Jerry's passing. Thankfully, in adult years, we were able to spend a little bit of time with him, share laughs, and enjoy his homemade salsa and jalapeno jelly. We too appreciate the good times that we got to share. We wish you eternal peace, friend....

“ As cousins we laughed, and cried together. As kids we had a lot of fun, playing hide n seek in the cemetary and the corn field. When we grew up you and Ty worked together so many memories. Also to his imediate family we would like to say we feel your pain and know that God will ease that pain and dry your tears. You are in our prayers.
