“ I am saddened by the passing of such a wonderful lady. My heart goes out to all of her family members. In all my years of food service, Mrs Mohre was the the one person who could make me nervous about my cooking! She was so sweet and kind to me, I will miss her as well.

*John remembers her helping with the basketball chicken dinners and the best teachers' "meetings" were held in the hallway with Joanne and Karen!*

“ I first met Joanne when she was about ten years old. She later became a shirttail sister-in-law. Our lives touched now and then. She was always cool, businesslike, serious, efficient and level headed as far as I could tell. I'm sorry she is gone, but we cannot cheat death forever.

*My thoughts are with her close family and hope they can find comfort in their grief. Think about the positives in her life and celebrate that life and its gifts to you.. Be comforted that she lived a long, good life and contributed to many others..*

“ My mom was gone, so "Grandma Joanne" wrapped her arms around us and cheerfully and wisely guided us as our "new" mom and grandma. Joanne remained an excellent teacher long after retirement, sharing her knowledge, tips and tricks, helping all of us learn to be better homemakers. Her cooking, baking, home management, sewing and quilting were outstanding.

*Our sympathy to the family.*

*We have lost a friend and mentor.*

*Uncle Bob, Terry, Tim, Cynthia and David;*

*We are deeply saddened at Aunt Joanne's passing.*

*I have many fond childhood memories of summer stays with your family in Fowlerville and Charlotte. Aunt Joanne always fixed the best lunches! And she made sure we took turns on the trampoline and stayed out of trouble. She had a wonderful smile and a great sense of humor... even when all of us boys were picking on Cynthia!*

*Aunt Joanne gave so much to so many people. The world is a far better place for all she touched. Please know our hearts and prayers are with each of you.*

*Love, Pat and Brad*

*"Death leaves a heartache no one can heal; love leaves a memory no one can steal."*
