“ My condolences to the Stewart family! Joe was my baby brother (Russell Kiplinger) neighbor. Joe kept an eye out for Russell and he would call me whenever he thought Russ needed me. Joe is the man who called me when Russ needed to go to the hospital. Russ died two days later. I will never forget Joe for all of the kindnesses he showed to me and my family throughout the many years I have known him. He will be well received into the pearly gates of heaven. I love you Joe and I will miss you deeply. The world is a sadder place with you Not in it.
