“ Dear Shirley, Russ & Mike - I cannot tell you how sorry & saddened I was to hear about Jon. Even though I have not been a part of the family for years, I want you to know that I am thinking of all of you...it breaks my heart Shirley that you are going through this. I can't remember the last time I saw Jon but I have so many memories of him that I will never forget...he was like a big brother to me....maybe at times not the best role model...but I loved him all the same for who he was. I loved how he was so confident about everything he did in life and didn't care if other people didn't see things the way he did. I remember when he lived in Ft. Wayne and would come home for the weekends to visit and I looked forward to seeing him because he always had some sort of "off the wall" story to tell. I still remember all his sayings or words he used.....nicknames he had for me. I'm glad that he was a part of my life for so long and I will miss him. Love Mimi

“ Dear Shirley and family - I was very saddened to hear of Jon's passing. Even though I hadn't seen him in 30 years I still have what are now very fond memories of him from school. At the time they were pure annoyances because he loved to drive me crazy. God bless all of you.

“ To the whole Kyre clan I want you to know I'm thinking of you right now. I have many memories that include all of you. I can't watch the wizard of oz without thinking of Shirley comparing her boys to the "munchkins". I can't remember a better story than of how Jon was on the roof of the house ditchin school sunbathing and the school called to let Shirley know. The Halloween party's were a blast. A lot of my memories include the country club & Mcdonalds, but most of all...there was love...some yelling, but mostly love. Thank-you for everything you did for me & my sister. I am so sorry for the pain you are going through right now.

“ Dear Shirley Russ Mike and Jackie, I'm so sad for you at this time of great loss. I will remember Jon as a very competitive and athletic fellow and a friend w a great sense of humor. Jonny had a sweet, sweet smile too. I think back to when we were 4th graders playing our first year of softball, this is when I first came to know Jonny and his own incredible Dad George, (Coach Kyre). Wow what an incredible Father- Son team. Those two set the tone for their team and boy did they know how to win. I always loved seein Jon later on in life as adults, he was special to me for many many reasons and I will miss him. God Bless you all and hang tough. Love you, Andy

“ *My sympathies to the entire Kyre Family, on the loss of your son, father and brother, Jon. I attended High School with Jon, and he became a dear friend. You could always trust him to have a twinkle in his eye, and be able to put a smile on your face. It was with a heavy heart I learned of his passing. I am honored to have known him, and will carry his memory with me. May peace be with you all.*

“ When I received the call that Jon had died, I felt such a loss. I hadn't seen him in awhile but he was still such a powerful force in my life. I grew up next to the Kyre Family and they became my second family. George was like my father, Shirley like my mother and Mike, Jon, and Russ my big brothers. I weaseled my way into their lives when I was little and made myself a fixture in the house on Cherry Street. I can still hear Jon saying, "Kiks, what did you do that for?" when I would inevitably make some mistake in my young life or , "Kiki, would you pick me up a pack of smokes on your way over?" when he was to engrossed in the golf tournament or nascar race to go buy them himself. Jon was the first guy to help you and the last guy to judge you. Jon wasn't perfect but he was Jon. He loved you for who you were and cared deeply for those who held a special place in his heart. I will miss him for the man that told my husband with his smile on his face as he shook his hand, "You hurt her, and I will kill you" as we left for my move to Denver. I will miss him for the man that told me on my wedding day how beautiful I looked. I will miss him for the man that would not hesitate to start an argument over whatever he felt like arguing over that day. I will miss him for the man who would take care of his father through his own battle with cancer. But most of all, I will miss him because I loved him, warts and all. When George died, Jon was never the same. It seemed that he lost part of himself and no one was able to help him find it. I pray now that they are together in heaven, enjoying a good round of golf and catching up on the last few years of Mountaineers football.

“ To the whole Kyre family, I am so sorry and sad to hear of Jon's passing. I have so many memories of him I don't know where to start from playing softball and basketball, to bowling, to working together for so long. He was a unique person and I still laugh at the many great times we've shared. I want to send a special mention to Russ from all of us who played softball together for so many seasons to say how sorry we are. My siblings Craig, Cathy and Candace have also asked me to send our condolences to the whole family.
