“ I'm so sorry for the loss of your mom and grandma! I'll never forget when I took my mom for an outpatient procedure and she was her nurse, and of course, she was taking great care of Grandma Johnson. We were laughing about some antics Levi had done at a family event the day before and she asked what his last name was and we discovered it was the same Levi. She said it sounded like the same antics her Levi would do! I love how the kids went to Grandma Lynd's house after school, or they went to Grandma Sherry's after school. She will be so missed by you and you were so blessed to have her! I am so glad I knew her!

“ Tiffany, Ryan, Tom, Paula, Karen & extended families:
Joyce and her entire family were friends & neighbors for many years. Got to know Rob & the kids before Florida. Joyce became our (late husband, Bill) first paid baby-sitter at a young age. In fact, my parents convinced me it would be ok to hire her. While in nursing school, the rest of her family filled the gap. Never had concerns about the safety & well-being of my kids while in their care. She and her family will always hold a special set of memories in my heart. May you be consoled with your memories at this time of sorrow.

With love & friendship, Shirley (Link) & Bob Weers
