“ *My husband and I met Judy and Jo when we had our store in the mall at Silver Lake. We enjoyed many conversations while visiting on the board walk or coming in to each other's stores. Having a feast at Lynn Mauk's place was always fun,too. Jo- we send our condolences. Know that you are in our prayers. Dick and Lucy*

“ *So sorry to hear of this loss! We knew Judy and Jo from Silver Lake where we owned a store for many years. What I will remember about Judy is her sense of humor! She always saw the funny in the situation! Judy was a hard worker but she also knew how to play! Our family missed them after they moved to Charlotte and we moved on to Phoenix. Jo, I hope you find comfort in knowing that so many people love you.*

“ *I met Judy when she came to the Pharmacy at the Charlotte Wal-Mart and picked up her medications. We formed a friendship from there. She was always a smarty pants and full of life. I will miss her greatly!*

“ Judy had such a wonderful sense of humor, she always made us laugh. Even when Judy was not feeling well, she never lost that wonderful humor. We loved the Judy spirit, with the gentle soul. She was such a wonderful addition to the family. We will miss her deeply. May it comfort everyone to know that she is at peace now.

“ Judy you will be missed. I will never forget the story you told me about one of your elderly patients. She wanted to go back to her room and she insisted that her room was upstairs (even though it was a one story building.) So she wanted to go in the elevator, but there was no elevator. Everyone else was arguing with her that there was no elevator. So to make her happy you took the patient in her wheelchair in a closet and closed the door like you were in an elevator and then took the patient to their room. This made the patient happy. You were very kind to your patients. I am glad you are out of pain and in peace now.
