

Judy Kay Harmon

March 30, 1947 - January 21, 2017

Judy Kay Harmon, 69, of Vermontville, died peacefully on Saturday, January 21, 2017. Judy was born on March 30, 1947, in North Street, Michigan, the daughter of Oscar and Barbara (Puffer) Dean. Judy was a very fun loving gal and was a lover of horses, who dreamed of a "field of yellow," a field of Palomino horses. She boarded horses, as well as, having five of her own, which contributed to her membership in 4-H. She loved spending time with her grandchildren and encouraged many of them to ride. Many of her children and grandchildren rode in the "Young Riders" 4-H Club, spreading her love of horses to several generations, enriching her family's life. Her family remembers her big heart, loaning horses to many kids to make sure they had a horse to show and ride. Judy was also passionate about hand quilting, and her dogs.

Judy was proud of her kids and grandkids, and invested in their lives. She kept mini bikes and go carts at her place, and all the kids would want to go to Grandma's and drive in the pasture. Judy was a great friend to many, and will be missed by all.

Judy is survived by her seven children, Karen Harmon, Wayne (Julee) Harmon, Karl Harmon, Donald (Jaimie) Emenhiser, Michele (Scott) Snyder, Rebecca (Arnold) Dolman, and Barbara (Steven) Emenhiser; 14 grandchildren, and 20 great-grandchildren. She is preceded in death by her

husband, Theo Harmon.

Memorial Services are planned for Thursday, January 26, 2017, at 11:00 a.m., at Pray Funeral Home, with Reverend Marc S. Livingston officiating. Visitation will be held Wednesday, January 25, 2017, from 6:00 - 8:00 p.m. at Pray Funeral Home. If desired, the family suggests memorial contributions to Eaton County 4-H MSU Extension Office - HDC. Friends and family are encouraged to share memories of Judy Harmon on her tribute page at www.PrayFuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ We were fortunate to spend our early years with our cousins, Aunt Judy, and Uncle Don living around the corner. I recall many days when we ran through the field to their house so we could ride the horses. I always wanted to ride with Aunt Judy because her horse was the biggest and fastest. It was like the adrenaline rush you get from riding a roller coaster. I would just hang on tight, scared to death because we were going so fast. I couldn't wait for the next ride with her so I could experience that thrill again. She was a special lady who loved to share her passion for horses with others. She will be missed.

“ Ms Judy will always be in my heart and memories. Generously opening her farm to myself and my ole boy Apachee in a time of need. Always concerned, checking in on me, and offering advice. "Put your Big Gurl panties on" she would tell me. A shoulder to cry on, good laughs, and a sense of peace at the farm was always an open invite anytime. Many good times shared at the horse shows. Always looked forward to seeing her there. Always will be admired, adored, and eternally grateful. Blessed to have Ms Judy in my life. ❤️

“ Judy used to be a neighbor, when she was married to Don Emenheiser. They lived on Perkey Rd. Her youngest daughter, Barbie grew up with my daughter, Carmen. They shared a love of horses. And even after she married Theo, I continued to deliver Avon to her for many years. She was a delightful woman and I always considered her as a friend. My condolences to her family. Miss all of you.

“ Judy was one classy lady.. We were dropping off a boarding payment for our daughter but we knew Judy wasn't home so we Face booked her, and told what we wanted to do. She said she wouldn't be home for a while but we could leave the payment in the BarBQ off the porch.. It wasn't 30 seconds later there were 2 or 3 people writing in say they wanted to come over for the BarBQ at Judy's house. We started laughing.. Needless to say we didn't use the BarBQ , she did get her money, Just some where else. She will be missed as much as she was loved.Thank you for your good times, you shared with us. I was so very saddened to hear of Judy's sudden passing. Judy and I met in the 7th grade at Lakeport School. Judy, Helen, Sharlene and I became fast friends. Our foursome shared the best of times together from 7th grade through Jr. High and High School. We were in inseparable. After many years our foursome met up again at a Lakeport class reunion, It was like we had never been apart. Recently Judy and I reconnected on FB. I enjoyed reading her daily posts and especially learning of her love of horses.

I would like to express my deepest condolences to Judy's family and friends. It has been heartwarming to read the memories from those that loved Judy. Judy you will be truly missed and I will forever keep the memories of our special times close in my heart. RIP and ride on Beautiful Lady!!!!
