“ *My birthday is the day after Halloween. A witch visited my room saying that she was my sister. I had no idea who it was. She came in and out of my room all afternoon. The kids kept asking who it was, and I had no idea. That was just one of the pranks that she and Carroll Tharp thought of. She was a very special lady and worked very hard for the PTA.*

My heart go out to the Quantrell and Antisdel Family. When Judy and I were young I would go stay a week with my Aunt and Uncle. Aunt Jean would let us go up town to go on the rides, the fun we had. She will be missed a lot, I talked with her on chat.
