“ We were so sorry to read about Julie's passing. I always enjoyed our walking of our dogs in the morning. She would be going one way down the road & I would be passing her. Got such a bang out of teasing her about the little sweaters on her dog. Will miss that

“ I extend my deepest sympathy to the Barnes family. During this difficult time I wanted to share the hope found in the Bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will come out." And at Revelation 21:3,4 it states that there will be a time when "death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and I hope it does the same for your family.

“ Dear Bob and Darla, Don and Glenda, and family members, We are so sorry that we have lost Julie too soon. She had such a great attitude, and brave to the end. Wish that we could be there with you. She was the last of her generation for Ross, and he feels deeply the loss of his parents and all of his aunts and uncles. The generations move on. We should keep in closer touch. Carol
