“ I have fond memories of working with Julian on Charlotte Community Theatre productions. He was a very kind man with a pleasant sense of humor. He willingly tackled some difficult character roles and was successful in his portrayal of them. I really enjoyed working with him. My condolences to his family and many friends.

“ Dearest Helen, My deepest sympathies and prayers go out to you and your family. I could certainly see and feel the love that you had for Julian through all of our wonderful conversations together. Your love for him was very evident, as you were always by his side. (This love was also demonstrated by your attempts to "break him out of there" to see the sunshine:) Please know that Julian is now at peace with the Lord. God's blessings to you and your family.
