

Karson Klont

August 19, 2003 - June 26, 2022

Karson Lynn Klont, 18 of Charlotte, a fun-loving, considerate, and wonderful young man, died unexpectedly June 26, 2022. Karson was born August 19, 2003 to Peter and Lauri (Converse) Klont in Lansing, Michigan, and grew up in Charlotte. A 2021 Charlotte High School graduate, Karson was always ambitious and driven in school, receiving many honors during his high school career, but never liked to be the center of attention. Karson was a talented woodworker, making mostly furniture. Any time outdoors was a good time for Karson; he enjoyed fishing whenever the opportunity arose, riding his motorcycle, as well as working outdoors for R & D Landscaping. Creativity and vision were also strengths of Karson's; he was always eager to help and with his natural mechanical abilities was able to figure out how to fix almost anything, including motorcycle restoration.

Karson will be deeply missed by his friends and family. He is survived by his parents, Peter and Lauri (Converse) Klont; sister, Kelsey Klont; grandparents Ron and Harriet (Shaw) Converse; aunts and uncles, Bob and Michaelle Converse, Doug Converse, Jeff and Deb Klont, Sondra Klont, and numerous cousins. He was predeceased by his grandparents, Peter and Judith Klont; and uncle, Terry Klont.

A few years ago I used to substitute for Brent Crossman when his golf teams had matches. I had Karson in one of those classes. Although I did not know him well, I found him to be polite, respectful, and responsible. I especially liked talking sports with him and his friend Ethan. I remember thinking, if only they all could be like those two. I am so sorry for the family's loss. Our world will be a little less bright losing Karson. God bless.

*Kelsey and family, I know there are no words, so I have hesitated to try. Karson was in two of my classes during his senior year. I was blessed to get to know such a respectful, courteous, and fun person. Karson came to class with a genuine smile that was contagious. He always had a joke or compliment to make others feel better. He also had an edge of playful sarcasm at times, which I really appreciated. The world was a better place with him in it, and is a better place because was here. My thoughts and prayers are with his family and friends.
