“ Kind, caring and compassionate are perfect words to describe Katherine. She was so kind to my parents while working at McDonalds and always had kind words to say about everyone and everything. She always made it a point to speak and ask about me and my family and always put everyone else above her. She certainly was a beautiful soul. My condolences to all of her family and all those she called family.

“ *I am so sorry to hear this. Katherine was the sweetest, kindest person ever. I have known her since I hired her to work for me at McDonald's. Even after she retired I was able to see her as her and Ned would meet on Thursdays in the Playland with their friends for coffee. I am blessed to have known her. She will be greatly missed.
