“ *To the Family, we send our heartfelt condolences. Kathy took care of my children Bobby and Alicia Hubbel when they were young. My kids have many good memories of being a part of this family. My daughter Alicia was also in Tracy's wedding, the Gusey home was always filled with love, and there was always a great love for children. My thoughts are prayers go out to everyone as the loss of a loved one is never easy. Kathy and David were very good people who opened there home and hearts to many...and I am great my family had the opportunity to be apart of their lives and the lives of their children. May god bless all of you and give you the strength you need to get through this difficult time. With all our love, Michelle, Bobby and Alicia Hubbel*

“ We will always remember Kathy's sweet spirit, and wonderful smile. She was the encouragement to so many and never had herself in mind, but only the welfare of others. What a wonderful blessing, that today she is at Peace and Rest with the Lord. She will be missed, but not forgotten. Sue and Jack

“ I can hear her voice: "Come on over, I'll put the coffee on", "Oh, honey", "I love you", "I'm going to my grandson or granddaughter's birthday party", "I miss David, so much", "I've been praying for (everyone)". If you were hungry, she fed you. If you needed a listening ear, she listened. If you needed a hug, you got one. My memories of Kathy are that she was a wonderful christian, wife, mother, grandmother, and friend to all. No doubt in my mind where she is! I can hardly wait to see you in heaven! Love you--to the moon and back. Joyce

“ There can be no better legacy to leave than that of a good, solid, loving, and caring family and Kathy certainly did just that. She was very, very proud of all of you and I know you were all equally proud of her. I know I was always proud and privileged to call her "Cousin". She was always there for me with a kind word, support or encouragement when I needed it the most. I will miss her laugh, her always upbeat spirit and her unending love. She truly was an inspiration to me and my Family. We love you all and please know we will support you anyway we can through these difficult times. Remember the good times you all had together! Love you all. Randy and Debbie
