“ To Jason, Brandy and family... So sorry for your loss. Kelly meant alot to our family. We will miss her and our hearts are broken. Kelly would watch Anna sometimes for us and went to church with us once. I have always thought of her as my favorite aunt. Anna loved playing with her hair and her make-up. Kelly, we will miss you and we love you.

“ Kelly it's been a few years since I last saw you. I regret not reaching out at some point. You played such a larg role in my childhood and in Colins first few years. You and Kari were his 2 favorite people at one time. I will never forget the laughs, tears, fights, friendship, and overall the love that our family shared for many years. Brandy & Jason, I love you both so much and I am so happy that we've all stayed "Brother & Sister". Kelly you gave us that. I am hearing so many great things about you from all of our friends that also called you mom. You are loved and now you are at peace.
