

Kristin Michelle Ormsbee

June 20, 1994 - August 11, 2019

Kristin Michelle Ormsbee, a very courageous young woman that fought through cancer to earn her bachelor's degree, died at the young age of 25 on August 11, 2019. Kristin, 25, of Bellevue was born June 20, 1994 in Battle Creek to James and Cassandra (Bramble) Ormsbee. Kristin's caring side showed from a very young age, with a love for all kinds of animals and a desire to bring all of them home with her. Being outdoors made her very happy, she loved nature, caring for her environment and utilizing natural resources, as well as being outdoors hunting and fishing. A very creative and talented artist, Kristin could draw anything she saw. She also enjoyed music, bike riding, and weight lifting.

Many people were touched by Kristin's kindness, and she inspired many people with her courage. She was diagnosed with Lynch Syndrome, an inherited predisposition for different types of cancer, and was diagnosed with brain cancer while she was a student at Olivet College. Two months prior to graduation in 2017 she underwent surgery for the cancer, and she then graduated with her Bachelor's Degree, one of the proudest moments of her life. In college, she was studying biology, with a thirst for knowledge about Lynch Syndrome in order to help herself and others reduce their risks of cancer. She had an interest in molecular medicine as a future career opportunity after school. During college, she worked at Bronson Hospital as a Communications Specialist.

Kristin is survived by her parents, James and Cassandra Ormsbee; grandparents, Laura Ormsbee and Charlene Bramble; aunts and uncles, Marc Ormsbee, Lisa (Conrad) Burton, Anthony (Linda Mann) Bramble, Angela (Samuel) Payne; cousins, Amber Smith, Aaron Burton, Jessica Bramble, Collin Payne, Connor Payne, Catelyn Payne; her closest friends, Victoria (Olson) Ackley, Katie (Baker) Bradfield, Samantha (Gay) Heuer, Emily Bradford, Cortni (Earegood) Abbott; and many extended family and friends. “ I am so sorry for the loss of this lovely young woman. I met Kristin when she was a student in my drawing class at Olivet College. I remember her as very quiet and completely absorbed in her work. She was a very humble and gifted artist.

“ My thoughts and prayers go out to all of her friends and family. I had the privilege of getting to know Kristin briefly over the past couple of years at the Bronson Battle Creek switchboard. She had a great attitude and a wonderful sense of humor, especially when I would tease her. She endured quite a battle, but did it with a smile. I will miss her and so will a lot of us at BBC.

“ Kristin was a beautiful soul with a courageous spirit. She was kind and sweet, a person you could tell your deepest darkest secrets to and she would never judge. Wise beyond her 25 years and taken way to soon. Even though I had only gotten the privilege to have known her for a short time, she had touched my life and I will always look back on my memories of her with a smile. I will miss our long talks about life, her smile, the silly words she would make up and most of all her infectious laugh. She was so brave, braver than anyone I have ever met and she will be greatly missed. My heart goes out to her family. Prayers and love to you all <3
