

## Larry Alan Pifer

May 29, 1965 - March 21, 2025

Larry Alan Pifer, a quiet and helpful man, passed away on March 21, 2025. He was born on May 29, 1965 to Mr. and Mrs. Larry Pifer in Lansing, Michigan. His family moved to Charlotte when Larry was eight, and he graduated from Charlotte High School in 1983. Larry owned and operated Pifer Plumbing and was an instructor at LCC and a plumbing inspector for Eaton County for a short time. He was proud of his ability as a master plumber.

Larry enjoyed the simple things in life as befitted his nature: he loved country drives and being outdoors where he hunted and fished. He also loved watching sports, playing golf, and he was an avid Lions fan. Westerns, sci-fi and Star Trek were among his favorite television shows. He loved dogs, including his favorite, Jury.

Larry is survived by his wife, Dawn, whom he married in 2018; daughter, Erica Jo Boeneman; stepchildren, Alexis Davis, Nathan Mead, Cody Tomlin, and Brady Tomlin; seven grandchildren; and sister Kelly Chaffer. He was predeceased by his second wife, Susan Pifer; and his parents.

A Celebration of Life will be held for Larry at Lake Alliance, 515 Alliance Dr., Potterville, MI, on April 26, 2025 from 2 - 4 p.m. If desired, the family suggests memorial contributions to Eaton County Humane Society. The family is in the care of Pray Funeral Home, Charlotte.

“ *Larry was a great guy, and he was my plumber for many many repairs and projects for almost 8 years when I managed Wellington Farms Apts in Charlotte. He was so great for any job we had and became my friend and we always enjoyed seeing each other and talking as well. I have missed him in recent years and will miss him forever.....Larry was a super guy! Ed Hanover*

“ Larry was a great big brother to me. I have so many memories from our childhood and beyond. I know our family had issues and we became fractured but you are always thought of and loved. His nickname was "Duber" and those close to him know how he got that.

He introduced me to the Doors long before the movie came out. He loved to fish, I didn't care for it but I would go sometimes just to hang out with him.

He could watch Sci-Fi shows all day long and I would say he was definitely a Trekkie .

A very good chess player. He had an early chess training computer when we were young and he would get so mad when it beat him that they pieces would go flying across the room lol.

He lettered in track in High School and I remember him practicing the high jump in our back yard.

He drove a Ford Pinto in high school even after the recall. He also had a great stereo in his room that I was "not allowed to touch"

One thing I know about him is that he was a sensitive man at heart. If anyone had differences with him you can be sure that he never meant to hurt anyone.

He was/is our protector and you taught me a lot brother.

I love you very very much and I will see you on the other side.

“ Larry was my brother-in-law and had a gentle spirit. He was soft spoken and polite. I love how he called my parents mom and dad. He loved Dawn and the boys. He was proud of his step sons Cody and Brady and was kind whenever we were together. I remember enjoying a Thanksgiving dinner together at his house and that was a special memory. He loved fishing. I'm thankful to have met Larry and will miss him. May he rest in peace in Jesus' loving arms.
