

Leonard Wisinski

March 23, 1942 - November 27, 2021

Leonard Wisinski, age 79 of Haslett, a generous person willing to help others, died Saturday November 27 in Lansing. Leonard was born March 23, 1942 in Erie, PA, the son of Stanley and Helen (Lata) Wisinski. Leonard served our country in the US Air Force for four years. He was proud to proclaim that he was a Veteran to all those he met. After returning from the service he became a Pipe Fitter at Michigan State University. Later he moved to General Motors where he retired after 28 years on the job.

Many of his family and friends will remember him as a generous person with his time, his talents, and his treasure. He was always willing to help others with his best intentions in mind. At home he became a caregiver to his own mother and wife. Leonard had a few interests outside of his family and his work. One of those was photography in the days of 35 millimeter cameras and celluloid film. He even built a dark room in his home to support his hobby. In more recent years he developed an interest in kites. He loved to see them fly, either with the kite string in his own hands, or watching others fly at kite rallies and competitions.

Leonard is survived by his wife Judith (Beals); his son, Kenneth (Linda) Wisinski; daughter, Patricia Taylor; grandchildren, Marissa, Zack and Michael; and sister-in-law, Linda Winters.

Family and friends will gather for a graveside service at Maple Hill Cemetery,
